EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Price on 04/04/2006.

The application has been amended as follows:

Claim 1: in the next to the last line (line 15), delete [to the motor] and add " to the electric machine" after "frequency regulated voltage".

Claim 39: in the next to the last line (line 14), delete [to the motor] and add, " to the electric machine" after "frequency regulated voltage".

Allowable Subject Matter

2. Claims 1-3,7,8,10-16,20-24,39-41,45-46,48-52 are allowed. The following is an examiner's statement of reasons for allowance: the prior art fails to teach or make obvious a controller comprising a switch coupled to a motor having a plurality of power inputs and operable to couple one of the inputs to the motor; a first voltage input coupled to one of the power inputs of the switch, and configured to receive a first voltage, and operable to provide the first voltage to the switch; an inverter coupled to a second voltage input and a second power

input of the switch and configured to be activated by a second voltage received at the second voltage input to frequency regulate the second voltage to generate a frequency regulated voltage and to provide the frequency regulates voltage to the switch; a module coupled to the voltage inputs to receive the first and second voltages and configured to generate different signals represents the receipt of the voltages; and a controller coupled to the module to receive the different signals and configured to generate a control signal based on the different signals and to selectively control the coupling of one of the first voltage and the frequency regulated voltage to the motor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
